## Could you create a job opportunity for a young person so that you will have the skills you will need for the future...

If so we can provide a recruitment incentive and fund industry-specific training costs.

### Recruitment Incentive

Up to 75% of the National Minimum Wage for up to 26 weeks can be offered to create a new and sustainable job opportunity for a young person aged 16-24 years old.

### Graduate Recruitment Incentive

Up to 100% of the National Minimum Wage for up to 26 weeks can be offered to create a new and sustainable job opportunity for a young person aged up to 24 years old who has a degree qualification seeking a career opportunity.

### Training

Up to 80% of accredited training costs can be supported, for your new recruit, to fund non statutory industry specific training to meet your future business needs.

**If you are interested, call Yvonne Anderson on 01563 503000 to secure this funding support**

All recruits will be selected from young people who are engaging the East Ayrshire Works project and are currently not in employment, further education or training and actively looking for employment.
